

County Commission Redistricting Based on 2020 Census

Redistricting is based on “One Person One Vote”

In Reynolds vs. Sims, the U.S. Supreme Court ruled that districts have to be reapportioned so each district has approximately equal population.

Jefferson County Commission Districts - 2020

Code of Alabama

- Section 17-6-2
- (a) The governing body of each county shall establish precincts, define the territorial limits for which each precinct is established, prescribe their boundaries using the most recent federal decennial census tract and block map, and designate the precincts. The governing body of each county shall, by resolution, adopt the establishment and boundaries of each precinct in accordance with the timetable as set forth herein.
- (b) Each precinct shall be a contiguous, compact area having clearly defined and clearly observable boundaries coinciding with visible features readily distinguishable on the ground such as designated highways, roads, streets, or rivers or be coterminous with a county boundary.
